Dear OSP Patients,

This letter is to inform you that as of May 29, 2020, I will no longer be practicing orthopedics. I will be retiring after 39 years of practicing in Santa Barbara.

Dr. Daniel F. Craviotto, Jr., Dr. Steven B. Hollstien, Dr. Matthew Pifer and Dr. Bryan C. Emmerson will carry on the excellent care of orthopedic patients at Orthopedic Surgical Practice (OSP) and your medical records will remain at OSP.

I am honored that you trusted me with your care, I will truly miss everyone.

Sincerely,

Victor A. Tacconelli, M.D.

ADDENDUM: Due to the recent COVID-19 mandates and challenges, I have made a very difficult decision to retire sooner than planned. Monday, March 30, 2020 will be my last day practicing at Orthopedic Surgical Practice.
